

BENEFITS

Manage AR more effectively

A utility that allows you to modify AR document text fields that you normally cannot modify in Dynamics SL. You can modify information in both the header and the grid, and it will also update GL.

Maintain security

AR Document Maintenance Plus module uses Dynamics SL Standard Security to limit access to viewers.

Put your information to work

Use AR Document Maintenance Plus to view/posted AR Documents and then make changes to text fields that are normally inactive. In the AR Document Maintenance Plus screen, many inactive fields will become accessible so that you can modify text in those fields. GL is also updated automatically with the changes you make.

Find the information you need.

Can view AR Documents, modify text fields in posted AR Documents, the General Ledger is updated automatically which saves time and money.
