

BENEFITS

Manage Journal Entries effectively

Easily change any Journal Entry description in Dynamics SL General Ledger. Entries from any module can have their entry description changed, even if they are posted!

Put your information to work

The JE Description Changer utility eliminates the time consuming process of manually correcting entries.

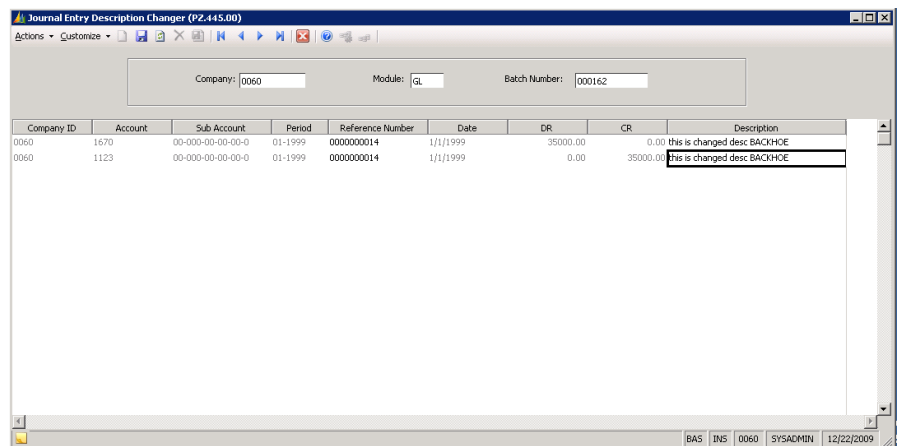

Maintain security

Journal Entry Description Changer module uses Dynamics Standard Security to limit access to users.

Journal Entry Description Changer

Improve efficiency for your business from within Dynamics SL.

Journal Entry Description Changer allows a user to quickly change any descriptions posted to the General Ledger, even from other modules.
