

BENEFITS

Manage payments more effectively

Quickly and accurately apply a single Payment to Multiple Customers in Dynamics SL.

Update AR Records with ease

The Multi Customer Payment Application utility allows you to apply a single Payment to multiple Customers in Dynamics SL in one easy step.

Put your information to work

Simply select the Payment then select the Customers you want to apply it to. An AR Batch is created and can be applied.

Maintain security

Multi Customer Payment Application module uses Dynamics Standard Security to limit access to viewers.
