

BENEFITS

Email POs to Vendors

POs can be immediately emailed to vendors from the Purchase Orders screen. Email functionality does not require changes to your existing email server or programs.

Fax POs to Vendors

POs can be sent directly to a fax printer so users do not have to change their default printer setting before accessing the Purchase Orders screen.

Save POs as PDFs

At the press of a button, POs can be saved as PDFs to a pre-defined network location or to the user's My Documents folder.

New Feature

Choose from either Purchase Order or Change Order when you are ready to send to a vendor.
