

BENEFITS

Manage PO's more effectively
Allows you to take all Open Purchase Order data and put it in a statistical ledger in GL in Dynamics SL.

Maintain security
PO Encumbrance module uses Dynamics Standard Security to limit access to viewers.

Put your information to work
The PO Encumbrance utility makes it easy to move Purchase Order data into a statistical ledger in GL and then have it available for reporting in FRx. Using FRx, you can create a myriad of reports for showing your Purchase Order data.

Multi Company
Whether using a single company or multiple companies, PO Encumbrance can handle your Purchase Order data.

Key Features

Puts Open Purchase Order data into a Statistical Ledger in GL.

Can create and generate FRx reports based on the Purchase Order data

Saves time and money.
