

BENEFITS

Manage prepayments more effectively

Quickly and accurately amortize prepayments over user defined periods.

Put your information to work

Prepays Processor allows for the set up of prepayments with ease. Prepays can be set up in the Prepays screen or they can be setup in Accounts Payable Voucher & Adjustment screen while entering a payment voucher.

Reports made simple

Prepays comes with an easy to read report listing all information from screen.

Maintain security

Prepays Processor module uses Dynamics Standard Security to limit access to viewers.
