

BENEFITS

Manage budget more effectively

Allows you to post Project Budget amounts into GL for reporting in Dynamics SL.

Maintain security

Project Budget uses Dynamics SL's standard security features, so access can be limited to specified users.

Put your information to work

The Post Budgets utility makes it easy to move Project Budget data into a ledger in GL and then have it available for reporting in FRx. Using FRx, you can create a myriad of reports for showing your Project Budget data
