

BENEFITS

Manage Vendors more effectively

Quickly and accurately recalculate Vendor Accounts Payable information by simply entering the Vendor ID in Dynamics SL.

Put your information to work

Recalculate Vendor AP Information will let you recalculate Vendor AP information simply by entering the Vendor ID and clicking the Recalculate button. You can also access the Vendor Inquiry, Vendor History and Vendor Maintenance screens and run a Vendor Trial Balance Report for All Documents from this screen.

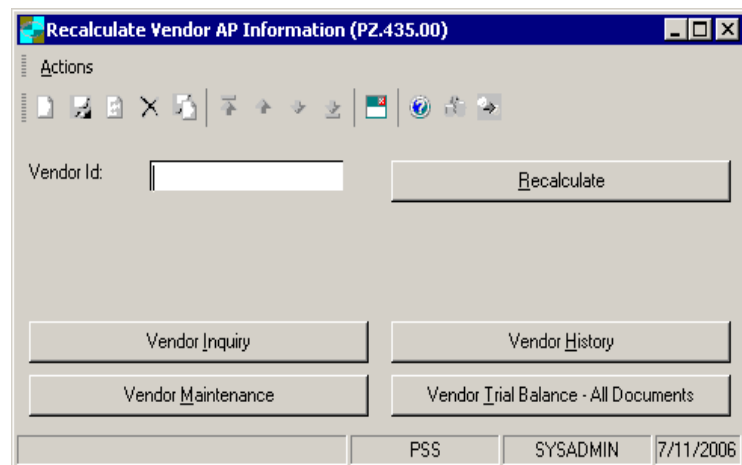

Maintain security

Recalculate Vendor AP Information uses Dynamics Standard Security features, so access can be limited to specified users.

Recalculate Vendor AP Information

Improve financial management for your business by tracking, analyzing and recalculating vendors from within Dynamics SL.

Recalculate Vendor AP Information simplifies the process of entering, recalculating and running reports for vendor information.

View Multiple Vendor Capabilities including Inquiries, History, Maintenance, and Trial Balance.
