

BENEFITS

Manage time more effectively

Time Track Web allows your employees to enter their time from anywhere they have access to the Web. With Time Track Web, manual Time sheets and duplicate data entry are a thing of the past.

Maintain security

Time Track allows only authorized users to enter and see their time. Supervisors can see only those employees assigned to them.

Put your information to work

Eliminate duplicate data entry of time records by employees. Enter it once and have it automatically update Project Controller and Payroll. Time imported is placed on hold for accounting review.

Key Features

- Users can enter time via the Web
- Supervisors can review and approve one or all employees time sheets.
- Print Time sheets for employee signatures.
- Updates Dynamics SL Payroll
