Progressive System Solutions

Microsoft GOLD CERTIFIED Partner

BENEFITS

Increase the size of Addresses

Vendor Long Address allows you to increase the size of the vendor and remittance addresses on the vendor screen.

No More Abbreviations

Vendor Long Address doubles the size of all the Address Fields on the vendor screen (including remittance) :

Address (1 & 2)

Attn

Name

Salutation

City

Zip Code

Uses Custom Table

Vendor Long Address uses a custom table so none of your user fields are required. Customization Manager is required to access the new addresses.

Standard Check Formats Included

The product includes the standard check formats with the new address format.
